Events:

Maths Challenge morning.

What a great time the children had during our Maths Challenge morning recently.

A variety of Maths activities took place. All the children thoroughly enjoyed it and had a great time with MATHS!

Nursery made dough hedgehogs and counted spikes, as they added them to the hedgehogs. Reception made hedgehogs. The children counted the number of spikes on the hedgehogs and they added up to 10!

Year 1 completed a range of Maths puzzles and problem solving activities. Their favourite activities were 'Picking Apples' and 'Bones'.

Year 2 had to make a tower taller than 1 metre, and go shopping to buy cakes at the cake shop, giving change from 50p,

Year 3 played Maths games, looked for symmetry and completed a Maths investigation.

Year 4 were challenged to create their own geometry village using 3D shapes.

Year 5 played 'Play your cards right' and completed Sudoku puzzles.

Year 6 conducted a traffic survey, then created pie charts to show the results.
