

Out my window I can see a big sun and fluffy white clouds! The sky is blue and the grass is green.

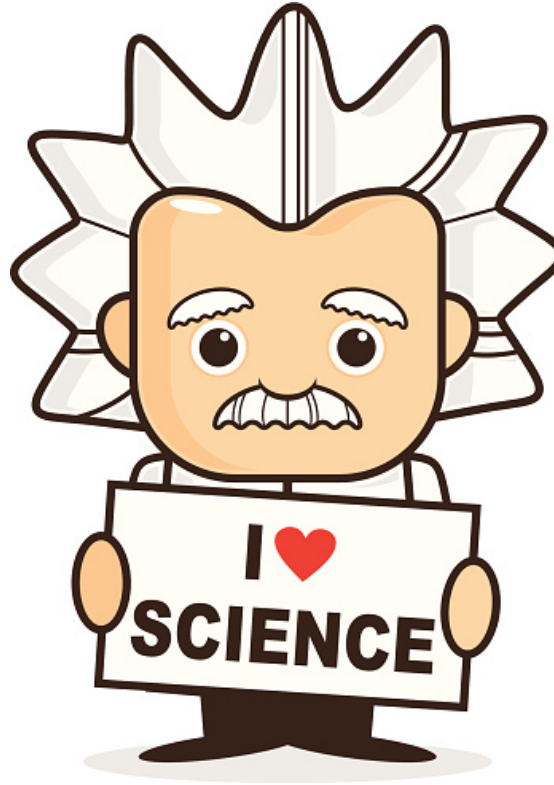

Hannah, Reception

Tigers are orange and black and white. It is a wild animal and a big cat.

Olivia, Year 1

I like learning about plants. Daisies are my favourite flowers and they need sun, water and soil to grow.

Miley, Year 2

I like hunting for materials and investigating if they can stretch, twist, bend and squash!

Libbie, Year 3

We do lots of fun experiments. I liked investigating gravity, air resistance and pulleys!

Variya, Year 6

I like setting up electrical circuits! We know how to stay safe with electricity.

Alfie, Year 5

I like learning about fossils! Paleontologists help us to learn about dinosaurs.

Jonny, Year 4
