Weekly Newsletter

Dear Parents and Carers,

I am introducing the extended newsletters again, as we are still not able to get together in assemblies and share whole school good news. Please share the good choice nominations with your child/children. A couple of items to draw to your attention re Parent App, Seesaw and Parent Pay.

Face coverings

Thank you for supporting school so quickly with implementing the directive from the council. It is much appreciated.

There will be a member of staff on the gate on the Year 2 3 4 5 6 playground in the morning. As there is a member of staff there in the morning, your child can just walk up to their classrooms on their own, if you wish them to. Not only does this develop independence and responsibility, it is also a way of supporting yourselves with getting to work and reducing congestion on the pavements and roads too.

Parent App

The majority of notifications/reminders/letters will be done via Parent App. Please make sure you have the App. We are reducing the amount of paper letters that will be sent home.

Parent Pay Activation Codes

The codes have been sent out, if you have any questions ring the school office or email the school office for the attention of Mrs Cope.

Seesaw Activation

In order to support our teaching and learning, and communication between home and school can you please try and access your child's Seesaw code if you have not already. Not only will this allow learning to be shared but it is a way of communication with your class teacher (re your child's homework) If you have problems or difficulties with Seesaw please let your class teacher know.
