Weekly Newsletter: Second Edition

Dear Parents and Carers,

Please share the good choice nominations with your child/children. Three items to draw your attention to this week: Parent App, Consent Forms and Parentpay.

Parent App

The majority of notifications/reminders/letters will be sent via Parent App. Please make sure you have the App. Not only are we reducing the amount of paper letters that will be sent home but notification re' class bubbles' will also be done via Parent App.

Permissions Consent Form

A reminder link was sent on Parent App earlier in the week. If you haven't already done so, could you please complete the Permissions Consent Form on Parent App for our records for 2020-2021 to be updated.

Parentpay

Thank you to the parents who have activated their Parentpay account and have sent payments for Dinners, Breakfast and Afterschool Club, and additional sessions for extended Childcare offer (Nursery). If you haven't activated your account yet, please do so using the activation code sent home. This is a much easier and safer way of sending money into school and you are able to see your balances on your account. Payments can also be made in advance if you wish to do so.
