

News @ KS1

Welcome to KS1 newsletter

We are excited about the first edition of our KS1 newsletter this year, it is full of news about Year 1 and 2 and all of the exciting things we have been up to, we hope you enjoy reading it as much as we enjoyed making it.

We have already settled in so well to our new classes, we want to share with you our favourite things about KS1.

We like to play on the climbing frame.

We like to write in our neatest handwriting

Outside learning

We don't just work when we are inside, we do lots of learning and investigating outside in our very own outdoor learning zone.

We can spell words.

We learn in the tent.

Target practice is fun outside.

News @ KS1

We like
to work
in the
maths
area.

We like to
play and
learn in the
house. We
have been
looking at
homes in
the past in
History.

News @ KS1

Year 1 and Year 2 have enjoyed reading our favourite books in lots of different places. We also like singing every Wednesday, especially the daffodil song! "I like the flowers, I like the daffodils....."

We all enjoy challenging ourselves and we always try our best, we are very proud of our work and we like to work together and independently.
