‘RESPECT FOR ALL’

Anti-Bullying Policy 'Small School, Big Vision'

Mission Statement:

Our school vision is to create an outstanding school that improves pupil's life chances and prepares for lifelong learning in the 21st Century.

To achieve this we will prioritise key principles and values across the school.

Key Values

- **Responsibility**
- **Expectation**
- **Success**
- **Perseverance**
- **Enthusiasm**
- **Care**
- **Teamwork**

Key Principles:

- **Achievement and Standards** - We will set high expectations for all our pupils which we will reinforce constantly as they go through school. We believe children can realise their potential with the right teaching and support.
- **Behaviour and Safety** - Our school is characterised by a respectful, caring and orderly environment. Behaviour in lessons is exemplary so that teachers can teach and children

can learn. Behaviour outside of lessons is one of friendship, care, teamwork, smiles and laughter.

- **Teaching and Learning** - Nothing is more important than the excellent teaching, underpinned by high quality teaching, learning and the curriculum to ensure that no child is behind or stuck. We draw on evidence and experience of the best ways to achieve excellent outcomes for all children.
- **Leadership and Management** - We will be a small school so that every child is known well by every member of staff. Positive relationships and communication between pupils, parents, staff and the community will reinforce and develop further a culture of excellence and commitment to all learners.

"Knowing the way, going the way then showing the way."

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this statement is in line with the Equality Act 2010.
