

Sugar Tots News

Welcome to our May newsletter! SugarTots has welcomed more new friends in the past few weeks and everyone is settling in nicely. Our Sugartots are all growing up fast with most now walking and talking. It's been lovely to see them all learning to share toys and making good choices – well done!

 **The sunshine is here!** 

Hurray! The sunshine has started to make an appearance and we will be able to play outside in the front enclosed garden. Don't forget you can bring some outdoor shoes to change into. Can I remind all parents/carers that you are responsible for supervising your own child in our sessions. This is especially important if the children are moving both inside and outside our room. If it's really sunny we could even have a picnic snack time on the grass!

 **Arts and Craft** 

We will be purchasing some new play doh as its proving very popular with our Sugartots of late. Some fantastic shapes and models are being made (and that's just the mums!) . We will also have a finger painting session soon and make some garden decorations to hang up.

 **Annual Day Out** 

It's time to start thinking about our annual day out in July. Can I have suggestions on where the Sugartots might like to go. Our visits to Acorn Farm have always been very successful but any other ideas would be most welcome.

 **Dates For the Diary** 

May 31 st & June 7 th	Off for Half Term
July 12 th	Annual Day Out
July 19 th	Last Day / Party Day

 **Website** 

Don't forget that we keep our SugarTots page on the school's website (www.knowsleyvillageschool.co.uk) updated with photos and news about our sessions.
