

Welcome to KS1 newsletter

We have already been very busy in our first few weeks in our new classes. We have had lots of activity days including, art day, music day and ICT week. We have taken lots of photos to let you see what we have been doing.

Year 1 and 2 enjoyed listening to key strings..

Music Day:

We very much enjoyed our music day, we listened to the fantastic Key Strings in the morning. Listening to music from around the U.K. In the afternoon we even got to design and make our own instruments.

We had to work very hard to decorate them.

We worked as a team and built our instruments together.
