# GRAB A JAB!

Aged 18+ and not yet had your COVID-19 vaccine? Pop down to one of our 'grab a jab' clinics and get vaccinated. No appointment is needed, and you don't need to be registered with a GP.

The COVID-19 vaccination offers you the best protection from the virus. Remember, it is important that you get both doses of the vaccine.

Saturday 10, Sunday 11, Saturday 17 and Sunday 18 July

## ALREADY HAD YOUR FIRST JAB?

If you've had your first jab, you can attend the clinic to get your second jab provided there has been at least eight weeks since your first dose. The walk-in clinics stock the Pfizer vaccine.

## NOT AVAILABLE WEEKENDS?

Don't worry. You can still book a COVID-19 vaccination appointment if you prefer.

Visit [www.nhs.uk/conditions/coronavirus-covid-19](https://www.nhs.uk/conditions/coronavirus-covid-19) or call 119.

## KEEPING GETTING TESTED

Once you've had your vaccine it is important you still regularly test for COVID-19. The vaccine protects you from the virus, but you might still be able to carry it and pass it on.
