

On Wednesday morning firefighters came to visit our Nursery class. The children had lots of fun looking around the fire engine and learning all about the equipment the fire fighters use. The children also looked at the uniform firefighters wear and were able to use the hose pipe.

This week Knowsley CLC worked with Reception Penguins. The children used an ipad to scan a QR code which led them to a picture of an animal. They had to find the animal on a list and they drew a picture of their favourite animal on the ipad.

Weekly Book Recommendation

Stink by Jenny McLachlan.

We all know fairies. They're sweet and sparkly and lovely. Right?

WRONG! Meet Stink. Stink is the rudest, naughtiest fairy there's ever been. Instead of sparkles, Stink makes mess. Instead of being kind, Stink plays pranks. She also eats woodlice and rides on rats.

From the moment Stink flies out of the fairy door and attaches herself to his hair, Danny knows that Stink is trouble. She needs his help to do a good deed and win her silver wings - and Danny will do anything to get Stink to go back to fairyland. But can Stink ever be good?
