

Weekly Newsletter: 28th April 2023

On Monday, Year 6 had a visitor from the Road Safety Team. The session was called Distractions. It focused upon how children can be easily distracted by a variety of things when playing out or going to school. The children listened carefully and gave ideas about how to minimise these distractions.

Today we had a visit from CLC for our Year 4 and 5. Year 4 spent their time creating their own Harry Potter Journal, which will be available to see on Seesaw! Year 5 created their own digital journal and recorded their own Podcast! They also made the graphics for the podcast.
