

Book in a Box

We know how much you all enjoyed seeing the children's fabulous Book in a Box creations during Parents Evening this week. It was a very difficult task but we managed to choose 4 winners! Congratulations to Mia, Isaac, Laura and Harry-Les! All of our winners chose a book from the book fair as a prize.

Online Safety

Please follow the link below to our April online safety newsletter.

<https://knowsleyvillageschool.co.uk/parents/esafety/>

Summer Uniform:

The children return to school after the Easter holidays wearing in their summer uniform, if they wish. The children should continue to wear black school shoes with their summer uniform and any hair accessories should be small and in school colours.

The link below will take you to our website where there is more information –

EYFS – Diego

KS1 – Jessica

KS2 Lower – Mason

KS2 Upper – Xander

Class Curriculum Information

Homework information is on class Seesaw. For more curriculum information see school website.

This week Nursery Turtles have enjoyed completing lots of Easter and Springtime activities. They have matched patterns on pictures to complete eggs, used different stampers to create pictures and used collage materials to make chicks.

This week Reception Penguins have enjoyed creating pictures to show all the wonderful things they have learned during our topic of 'Dangerous Dinosaurs'. The children have been working hard in their RWInc Phonics groups. In Maths we have been thinking about the concepts of 1 more and addition.

We have had an egg-cellent week in Year 1 Dolphins. In Science the children have been analysing the online weather forecast. In Maths they have been exploring mass. In English they have continued to enjoy the story 'Beegu' and retold the story in small groups. Thank you for your support with 'Book in a Box' project, they were all wonderful. They all looked amazing in their decorative Easter bonnets today and have had a lovely time creating various Easter crafts.

This week Year 2 Pandas have been very busy. They finished their book Major Glad, Majoy Dizzy and have written some fabulous diary entries. They ensured they had included all the mastery keys learned so far and even began to evaluate and edit their own work. Also this week, they were very busy making lots of Easter crafts and enjoyed their visit to the church.

This week in Year 3 Leopards we have had lots of fun continuing our swimming lessons, practicing a range of strokes and even diving into the deep end! We have also enjoyed creating lots of easter crafts including easter cards, easter baskets and our own Easter eggs. We are looking forward to welcoming you back after half term when we will start our new topic of 'Emperors and Empires.'

Year 4 Jaguars have continued to enjoy Swimming and are making great progress. We have also enjoyed our Music lesson with the singing teacher as it's our last one for now.

This week in Year 5 Tigers we have been writing biographies of Chris Hadfield and working on our editing skills. We have completed our decimals and percentages topic and almost finished our Geography topic, Sow, Grow and Farm. We are looking forward to art and cookery after half term! 😊

Year 6 Lions have had another busy week this week, we enjoyed our walk to the church and making Easter crafts in St Mary's church. We have also been working hard in our maths this week, looking at symmetry, 24-hour time and angles of a triangle. We have also been very creative, designing and making Easter cards and of course making Easter baskets in the hope we have an egg left inside them. 🥚
